Hello Friends!

We have hit the ground running at AdVance Tour & Travel this year, and that being said, we can hardly believe half of February is gone! We have appreciated all the interest in our trips that we have offered in our newly released 2019 – 2020 Dream Book travel catalog. The response has been great.

AdVance Tour & Travel's next two trips are nearing their cutoff date and we want and need more people to make the journeys with

us. I am referring to our overnight **Pioneer Woman Stomping Grounds** and our 7 day / 6 night **Coastal Waterways, Bayou's and Healing Springs** tour. These two trips are being highlighted in this newsletter, so take a long look! We love these itineraries and know these trips are going to be GREAT FUN!!

As always, yours in travel,
